Data Recovery

We perform level I of data recovery and it will have a higher successful rate if the data has been erased very recently and very little overwriting has been done to your storage. We are committed to try with our best effort to recover as much data as possible; however, it

is not a service that can be guaranteed. If data recovery is completely unsuccessful, you will have the option to bring your storage to the next level of data recovery service provider or simply cancel this service. Our minimum charge in this case will apply.

Data Recovery minimum charge \$59***

Data Recovery – Desktop from \$159

Data restore - Desktop from \$98

Data Recovery – Notebook from \$159

Data restore - Notebook from \$98

***Your actual charge will be estimated before we perform the service.
